++ Valid for broadcast between 1800 and 0600

Headline:
A chilly night. Largely sunny on Thursday.

This Evening and Tonight:
Any showers soon fade away this evening to leave a dry night with lengthy clear spells. Turning chilly under clear skies with a touch of frost and a few fog patches forming by dawn. Minimum temperature 0 deg C (32 deg F).

Thursday:
A warm and sunny day after any early frost or fog has cleared. Sunshine turning hazy through the afternoon as high cloud spills across Wales from the southwest. Maximum temperature 19 deg C (66 deg F).

Outlook for Friday to Sunday:
Largely cloudy with rain on Friday. Turning brighter and sunnier on Saturday, with the odd shower. Dry with plenty of sunshine on Sunday. Much warmer over the weekend than recently.
